Marks, their cost, and how procured, with hints for procuring advances on inventions Address

The Sun for 1881.

Everybody reads Tax Sux. In the editions of this newspaper throughout the year to come every body will find: body will find:

I. All the world's news, so presented that the reader will get the greatest amount of information with the least unprefitable expenditure of time and eyesight. The Sex long ago discovered the golden mean between redundant fullness and

unsatisfactory brevity.

Il Much of that sort of news which depends ll Much of that sort of news which depends less upon its recognized importance than upon its interest to mankind. From morning to morning Tag Sun prints a continued story of the lives of real men and women, and of their deeds, plans, loves, hates, and troubles. Their story is more varied and more interesting than any romance ill. Good writing in every column, and freshness, originality, accuracy, and decorum in th Honest comment. The Sun's habit is to 737.93 speak out fearlessly about men and things
V Equal candor in dealing with each p Equal candor in dealing with each political 200.00 party, and equal readiness to commend what is 3.237.23 praise worthy or to rebake what is blamable in Democrat or Repaublica
VI Absolute independence of partizan organizations, but unwavering loyalty to true Demo cratic principles. The Sus believes that the Gov rument which the Constitution gives us is a good one to keep. Its notion of duty is to resist to its atmost power the efforts of men in the Republican \$45,138.02 party to set up another form of government in place of that which now exists. The year 1881 and the years immediately following will probably de-cide this supremely important contest. The Sun
